Who Are We Serving & Why?

We'll spend the week serving the Native American community living on the Yakama Reservation located in the Yakima Valley. This reservation covers 1,300,000 acres and is home to the 14 tribes and bands that make up the Yakama Nation.

There are many stereotypes and misconceptions about American Indians. On this trip, we hope those stereotypes will be broken down as we learn from the reservation's rich heritage and culture and experience the ways God is at work there. Our presence and service for a week will go a long way in demonstrating the love of Jesus to the Yakama People.

What is YouthWorks?

YouthWorks is an organization whose purpose is to provide life-changing, Christ-centered youth mission opportunities for middle and high school students. Their goal is to create extraordinarily fun and significant mission adventures, targeted to the needs and capabilities of youth, ages 12-19.

For more info on YouthWorks check out:
www.youthworks.com

What will We Be Doing?

We'll join other youth groups from around the country at this YouthWorks site. Together we'll form work groups and focus our service in two areas: Kids Club and Painting.

Our work with local kids will consist of helping lead a hands-on, Gospel focused afternoon Kids Club. We'll have fun playing high-energy games, helping kids make crafts, performing skits, singing songs and leading interactive lessons designed to help kids come to know Jesus.

During the week we'll also have an opportunity to help local families by giving their homes a much needed coat of paint. In doing this we'll have the opportunity to share the love of Christ in a tangible way with families in need.

We'll also participate in a variety of amazing evening activities to help us learn more about the rich and diverse culture of the

Yakima Valley. In past years we've toured a local fruit farm, participated in a Native American worship service and hosted a community BBQ.
